Call for PMP Summit Presenters

The Projections Managing Partnership (PMP) is seeking state projections analysts to present on the following topics at the 2018 PMP Summit in Arlington, VA. Please note that dates and times of sessions are subject to change, though the sessions will either occur on October 11th or 12th. Staff from the LMI Institute will provide presenters with logistics support in the months leading up to the Summit. For any questions, or to volunteer as a presenter, please email Amanda Holmes at **aholmes@crec.net**.

Session: Separations Update – Lessons Learned, State Implementation Experiences, and Customer Reactions

Date: October 11, 2018
Time: 11:15 am – 12:00 pm
Number of presenters needed: 2-3
Description: PMP has worked extensively with BLS and Piper & Gold Public Relations to create resources to help analysts communicate the results of the Separations Methodology. As a follow-up to the 2017 "Communicating Separations" presentation and webinar series, we want to learn more about what you have experienced in your state. Have you encountered any difficult conversations with customers? Have you utilized materials from the Separations Toolkit, or perhaps created your own materials? PMP would like to feature at least 2 state experiences.

Session: Providing Localized Data

Date: October 12, 2018
Time: 9:00 am – 10:00 am
Number of presenters needed: 3
Description: Customers frequently request data and reports for localized geographies, but this is not always easy to accomodate. How has your state managed and responded to these requests? We are looking for presenters to share their states' best practices.

Session: Step-Ahead Adjustment

Date: October 12, 2018
Time: 10:15 am – 11:00 am
Number of presenters needed: 1-2
Description: What are some best practices for handling step-ahead adjustment? We will cover tips for analyst and provide plenty of time for open Q&A.
